At the District's schools in good standing (Fostertown, New Windsor School, Heritage, Meadow Hill, and Temple Hill), significant investments continue to furGardner to South Horizons (Sails Gate) and our LAP status school (Newburgh Free Academy) through the investments in leadership and through the placement of additional Rtl personnel to increase the frequency and depth of ELA and mathematics services to students who are functioning far below grade level. We are steadily observing a reduction in the high volume of students requiring long-term Rtl progress monitoring as well as referral for Special Education services.

C4E funding has also played a significant role in securing the right number of ENL teachers across all of our schools, K-12, so that ELLs regularly receive the appropriate units of English instruction in alignment with their NYSITELL and NYSESLAT outcomes.
