## 201819Contract for Excellence Narratives

Performance Narrative Describe the district's expected performance targets for the accountability criteria and disaggregated groups for those schools within the district not in good standing.

The District expects to reap an estimated 3% increase in overall ELA achievement on the NYSTP assessments for grades 3-8 as it has steadily done in recent years for our Focus schools. Similarly, the overall math achievement outcomes for grades 3-8 are projected to increase by 3% for this subset of sites currently not in good standing. For the ELL and SWD sub-populations, the District seeks to close the achievement gap with the all students group by 3%.

At the high school level, the District is paying particular attention to the Regents math outcomes in
